Join Nurtured Holistics: Pediatric Speech-Language Pathologist Opportunity

Nurtured Holistics Family Wellness Collective is a welcoming, collaborative wellness space dedicated to supporting individuals and families through every stage of life. With a focus on holistic health, women's wellness, and growing families, we bring together practitioners who share a passion for compassionate, client-centred care.

As our collective continues to grow, we are looking for a **Pediatric Speech-Language Pathologist (SLP)** to join our team as an **independent contractor**.

This is an opportunity for a compassionate, motivated practitioner to establish or grow their practice within a supportive, multidisciplinary wellness environment, with a focus on supporting children's communication and developmental needs.

The Opportunity

We offer:

- Independent contractor arrangement, with compensation details discussed with individual candidates.
- Booking, appointment reminders and payment support.
- Potential reception support during scheduled hours.
- Opportunities for professional collaboration and appropriate cross-referrals.
- A welcoming environment focused on women's health, family wellness and community connection.

Who We Are Looking For

We welcome applications from practitioners who:

- Hold a recognized degree in Speech-Language Pathology.
- Are currently registered and in good standing with the College of Audiologists and Speech-Language Pathologists of Ontario (CASLPO).
- Carry current professional liability insurance.
- Maintain appropriate clinical documentation and practise within their professional scope and regulatory requirements.
- Have a compassionate, child-centred and family-focused approach.
- Are comfortable working independently while being part of a collaborative team.

Additional Assets:

- Bilingual (English and French).
- Experience working with infants, toddlers and young children.
- An interest in early childhood communication and language development.
- Experience supporting speech and language delays and developmental communication needs.
- Experience working with parents and caregivers to support children's communication development.
- Additional training in early language intervention, play-based therapy or feeding and swallowing.

How to Apply

We would love to connect with practitioners who are interested in joining a supportive wellness collective and contributing to the health and well-being of our community.

If you are interested in joining Nurtured Holistics Family Wellness Collective, please email **Jess@nurturedholistics.com** with:

- A brief introduction.
- Your qualifications and professional registration.
- A description of the services you offer.
- Your preferred availability.
- A brief overview of any additional training or areas of interest.

We thank all applicants for their interest; however, only those selected for further discussion will be contacted.
