Tips for finding a job

1

The Choose Cornwall Job Board gives you a one-stop place to search for available jobs in Cornwall and region. Many of the jobs listed on the site are only available here, giving you a better chance at securing an interview.

3

There are a wide variety of jobs available every week, ranging from entry level to certified professionals (engineers, medical, etc). Check often as the list can change daily!

4

The site also lists upcoming **job fairs** which will give you the opportunity to meet face-to-face with company officials.

2

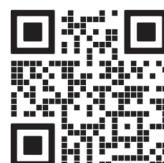

Improve your chances of securing a job by learning more about the company. The **Choose Cornwall News** section provides information on companies that are growing and increasing their workforce.

5

Send your résumé (CV) directly to the company that is hiring. Each job posting will provide information on where to send it.
