Apprentice Carpenter

Job Description

We are currently looking for a self-motivated and outgoing individual who is looking for a challenging opportunity to join our team as a Apprentice Carpenter laborer. This position performs various job site tasks assigned.

Applicant must have 2+ years of experience in construction. He or she must be physically able to perform the duties of the job, which include lifting heavy objects, climbing stairs and ladders, etc. If you are looking for a career with growth potential and are committed to personal and professional development, we may have a great opportunity for you.

Responsibilities:

- Follow direction of supervisor
- Responsible for maintaining cleaning equipment and proper use of PPE
- Notify supervisor of any unsafe equipment or practices
- Lifting at times and moving equipment
- Disassembling and reassembling of equipment
- Understands and executes work orders in a timely and professional manner
- Maintains strict attention to detail when working at customer's property
- Adhere to Clean All's Health and Safety practices, and WHMIS safety
- Maintains positive relationships with customers, subcontractors, suppliers, and other employees
- Ensure quality standards of service are met
- Ensure all safety protocols are followed

Skills include:

- Good communication / interpersonal skills
- Ability to work in a face paced environment
- Excellent time management skills and the ability to multitask

If you believe you have the experience and skills we are looking for we invite you to apply by email to discuss the position further. Thank you for your interest in working for our organization and we look forward to speaking to you. Please send your resume to: lvalade@clean-all.com
