# General Labourer

## Job Description

We are looking for a General Labourer, in Cornwall and surrounding areas. Valid G License required as successful candidate will drive company vehicle, and must be bondable.

Exhaust System Cleaning and use of a high power pressure washer experience is an asset.  
Possession of a Scissor Lift and Fall Arrest Certificate is an asset.

During winter months, must be willing and able to plow snow.

Tasks include:

- Power washing of restaurant kitchen exhaust systems including hoods, ductwork, filters and exhaust fans.
- Pressure washing of residential and commercial buildings
- Commercial air duct cleaning
- Cleaning shutdowns at Industrial Plants
- Post Construction clean up

Skills include:

- Willing to climb ladders and work on rooftops
- Possess a valid Driver's License
- Dependability: able to show up on time, read and understand safety plans and procedures
- Able to climb ladders to gain rooftop access to commercial establishments.
- Excellent attention to detail and work fast and efficiently
- Must be able to work flexible hours; nights and some weekends
- Ability to work in both hot and cold weather
- Possess good communication skills with co-workers
- Have the desire to learn quickly and be able to work in a fast paced work environment with a growing company
- Snow removal is an asset
