- Esthetician - full time, permanent
- Esthetician - part-time

R&R Esthetics specializes in the beautification of the skin

Services include but not limited to:

facials (Guinot), pedicures, manicures, waxing and eyebrow/eyelash tinting.

Qualifications:

Graduated from a reputable college program; ideally with 2 years of relevant experience
Has a keen interest in developing personally and professionally by continuing education and attending workshops and courses to maintain a high level of knowledge in our dynamic and growing industry.

Must take pride in their technique; demonstrate authenticity and passion about health and wellness as well as our industry

Compassionate and confident individual who exemplifies professionalism and a high level of integrity

Team player; possess a dynamic and energetic personality

These opportunities are best suited for local entrepreneurs looking to work in a healthy and balanced environment, which is positive and fun.

All positions are permanent in nature; therefore, we are seeking serious applicants who have a vision of staying with R&R Esthetics on a long term basis.

Please email a cover letter and resume to roxylegault336@gmail.com

We thank all applicants; however only those selected for an interview will be notified.
