

Job title: Warehouse Worker

Location: Cornwall, Ontario

Type: Full time, 40 Hours/Week

Reporting to: Warehouse Manager

COMPANY BACKGROUND

Opsun is a manufacturer of racking structures. We operate in all of North-America (Canada, USA, Mexico, Caribbean). Our Cornwall warehouse ensures the distribution of custom hardware specifically designed to create robust and high-quality structures that support solar panels on roofs, walls and on the ground.

JOB DESCRIPTION

Opsun is looking for meticulous warehouse workers capable of packaging orders to be shipped from our warehouse in **Cornwall, Ontario** under the supervision of the Warehouse Manager. The job consists of receiving material, sorting hardware, counting and storing in appropriate warehouse locations. The warehouse worker is also responsible to fulfill Opsun customer orders, package it for delivery using boxes, skids, lumber, etc. and ensure the loading of the trucks. (flatbed and van)

The warehouse worker will use a ban saw to cut rails, and other hardware to drill the aluminum components, as well as helping with pre-assembly of simple structures using a handheld tools and drills.

REQUIREMENTS

- Excellent organization and time management ability in a fast-paced environment;
- Availability for day shifts on week days
- Capacity to follow procedure to organize merchandize and stock;
- Help warehouse manager to monitor stocks in inventory
- Meticulous, rigorous and organized
- Capacity to manage several projects and operations in parallel;
- Physical Capacity to lift parts up to 50 pounds;
- Ability to operate a multidirectional forklift (optional);
- Interest to perform quality job

ASSETS AND CHALLENGES

- All experience in warehouse operation or management is welcome;
- Any experience in counting and packaging boxes of material is a plus;
- Leadership and autonomy will be seen as assets;
- Capacity to manage change and operate under pressure;
- English is the primary language, understanding French is a plus;
- Teamwork and positive attitude are mandatory;

SALARY

16 to 20 \$/h, based on experience.
