

Bell Technician

Miron Electronics Inc.

Subcontractor to install Satellite TV Equipment

Job Type: Full-time/ Piece work

Salary: \$40,000 - \$60,000 per year

Job summary:

As a company, we are a part of a larger organization that services Bell satellite, and alarm systems. We strive to exceed expectations on all installs and servicing of the equipment provided to receive Bell's services. We offer technicians comprehensive on-site cross training on various products and ongoing support afterwards. You will be joining a team dedicated to their customers and employee excellence.

Responsibilities and Duties:

- Perform installation and servicing of equipment for each line of business
- Responsible for some administrative duties such as filling out paper work and documenting work completed
- Obligated to meet Bells quality standards for all installations and servicing
- Be safe and professional at all times while working in a fast-paced environment
- Perform tasks in all types of weather conditions (+30 degrees / - 30 degrees) and within outdoor, residential and commercial settings
- Comfortable with heights +40 feet

Qualifications and Skills:

- No previous installation experience required, it is an asset
- Prepare to use your own tools, android cell phone and **White Van** (tool purchase program offered through Miron Electronics)
- Must be available to work mornings, afternoons, evenings along with weekends and holidays
- Valid driver's license
- Ability to carry heavy loads
- Criminal record check required
- Commercial insurance required
- Good verbal and written communication in English and/or French
- Ability to work both independently and in a team setting

Benefits:

- Highly competitive wages
- Earned quarterly bonuses
- Continuous employment all year round
