Attention: Holly Smales

Dear Holly:

RE: Investment Ready Certified Site Program
1500 Industrial Park Drive - Cornwall, Ontario

CONFIDENTIAL

This letter is to confirm that Bell Canada does not have any services to this site. However, Industrial Park Drive itself is serviced by both our legacy copper network, and Fiber network. The landowner at 1500 Industrial Park would need to provide a conduit to the property line for Bell to connect. There is telecommunications infrastructure within 500m of the site boundary line.

Should you have any questions please contact Meaghan Palynchuk at 905-540-7254.

Yours truly

A handwritten signature in black ink that reads "Meaghan Palynchuk".
