## Esso/Circle K

2375 Vincent Massey Dr.  
Cornwall, ON K6H 5R6

This 24 hour enterprise is a harmonic mixture of a branded gas station with a convenient store. A gas station, also known as a filling station, a facility which sells fuel and lubricants for motor vehicles. We carry a range of fuels universal to all motors such as Esso Synergy Diesel, Esso Synergy Supreme, and Esso Synergy Regular Gasoline! Our convenient store was designed to provide inexpensive options towards individuals tight on time with a fresh and fast meal on the go! Our inventory is designed for all age groups, carrying ready to go meals, a variety of snacks, freshly brewed coffee, hot lunches (limited due to COVID-19), and frosters. We are also proud to say that we are the only location to carry Polar Pops in Cornwall! We carry OLG 649, Nevada tickets, and many more! ATM machines will also be available for any individual that needs it!

### Job Description:

The position opening up at our location is a front store cashier. This job is a vital position in our enterprise. Responsibilities for this position consist of working within the latest technology on the market with our Esso POS Bulloch system, to convey our point of sales. This technology will aid you in handling cash, and different forms of payment; along with authorizing gas pumps. However, we must try to limit gas spills, and take any precaution needed to prevent pollution. Another requirement will be refilling and restocking merchandise on the shelf. We are known for our customer service, and will invite members to our team that do the same. This position requires excellent customer service skills that will aid customers with any support of questions within their time at Circle K. All team members are required to adhere to TSSA regulations and protocols, and must maintain a clean and safe environment to do so! Individuals will be required to do back office work, and must be familiar with Microsoft Word, Excel, PowerPoint, and Outlook.
