

TOMLINSON

FOUNDED ON **STRENGTH** GUIDED BY **VISION**

We are looking for a 310T Truck & Coach Mechanic or 4th year Apprentice

to inspect, diagnose, repair and service mechanical, electrical and electronic systems and components of vehicles. This position would be at our Tomlinson Environmental Services Facility at 120 Boundary Road, Cornwall.

PRIMARY RESPONSIBILITIES

1. Test and adjust repaired systems to manufacturer's performance specifications
2. Perform scheduled maintenance service, such as oil changes, lubrications and tune ups
3. Inspect and test mechanical units, such as engines, transmissions, axles and brake systems, to locate faults and malfunctions
4. Diagnose faults or malfunctions and confirm findings with supervisor to determine whether to repair
5. Repair or replace mechanical units or components using hand and power tools
6. Test and adjust units to specifications for proper performance
7. Complete reports to record problems and work performed
8. Adjust, repair or replace parts and components of systems including chassis, frame, cab, body, engine and drive train, air brakes, steering, and fuel, hydraulic, electrical and electronic systems
9. Some field work is required

EDUCATION AND EXPERIENCE

1. Completion of secondary school is usually required
2. Hold a 310T Heavy Truck/Coach License or 4th year Apprentice
3. Proven mechanical abilities in diesel engine diagnosis and repair
4. Experience with routine/preventative maintenance operations

TOMLINSON OFFERS:

1. Competitive wages
2. Bonus programs
3. Employer paid health and dental benefits
4. Extensive training programs and tuition reimbursement
5. Retirement benefits program
6. Family-oriented team environment
7. Employee discounts and other rewards programs

The Tomlinson Group of Companies encourages applications from all qualified candidates.
