

# Job title: Production Worker

**Location:** Cornwall, Ontario

**Type:** Full time, 40 Hours/Week

**Reporting to:** Production Manager

## COMPANY BACKGROUND

Opsun is a manufacturer of racking structures. We operate in all of North-America (Canada, USA, Mexico, Caribbean). Our Cornwall warehouse ensures the distribution of custom hardware specifically designed to create robust and high-quality structures that support solar panels on roofs, walls and on the ground.

## JOB DESCRIPTION

Opsun is looking for skilled production workers to produce parts and assemble aluminium structures in our **Cornwall** facility, under the supervision of the Production Manager.

The role and responsibilities are

- Manually build sub-assemblies and structures using handheld power tools
- Use various equipment to cut, drill and manufacture aluminum components
- Verify manufactured product meets drawing specifications
- Proper use and maintenance of tools & equipment
- Package manufactured products appropriately, identify it with labels and move it within the warehouse
- Wear protective equipment and follow safety procedures
- Help with inventory counts or order picking, when needed
- May be assigned various tasks according to operational needs

### What is expected of you

- You have hands-on experience in trades, like manufacturing or construction
- You are independent and resourceful.
- You are in good physical shape, able to work in a standing position for extended periods of time and lift up to 50 pounds using safety procedures.
- You are available for day shifts on week days.
- You have the capacity to learn a wide array of manual tasks.
- Forklift experience is considered an asset.
- Keep work areas clean.

### What can you expect from us

- Innovative company thriving on environmental solutions
- Competitive salary with complete employee benefits
- Collaborative and engaged working colleagues
- Opportunities to Grow within the company
- Safety focused leaders

Salary based on skills & experience.

**Julie Laurendeau**, Head of People and Culture
