

Glengarry Nurse Practitioner-Led Clinic

Cliniques dirigées par du personnel infirmier praticien de Glengarry

The Glengarry Nurse Practitioner-Led Clinic (GNPLC) is one of 25 progressive primary care medical clinics in Ontario delivering team-based health care services that are both client centered and outcome oriented. Our innovative model of care enables Nurse Practitioners to lead clinical care in collaboration with a vibrant team of dedicated health professionals.

We are recruiting a **Nurse Practitioner** as part of our expanded team in Alexandria, ON to provide full scope primary care to clients across the life span.

- Full time (35 hours/week)
- Hybrid (1 day remote) and in-clinic setting,
- Salary range (\$60.25 - \$67.13/ hour) and HOOPP.

Key areas of responsibility include:

- performing comprehensive health or symptom directed assessments of clients to make a diagnosis.
- ordering and interpreting the results of diagnostic laboratory and screening tests within scope of practice.
- diagnosing and treating acute/episodic minor illnesses and injuries.
- monitoring the ongoing therapy of clients with chronic illness by providing effective pharmacological, complementary, or counseling interventions, within a client-centered framework.
- collaborating with medical specialists, sector partners and inter-professional team members to develop individualized care plans based on evidence based clinical best practices.
- maintaining a preventive health monitoring program for clients (e.g cancer screening, BP etc.)
- providing care in accordance with the Standards of Practice for Registered Nurses in the Extended Class and Expanded Services for Patients Act.
- ensuring occupational health and safety including infection prevention and control measures are practiced.

Qualifications:

- Current and valid registration and certificate in the Extended Class with the College of Nurses of Ontario (without restriction). Certification as a Primary Health Care NP, in Ontario.
- Baccalaureate Degree in Nursing from an approved University, Master of Science (Nursing), an asset.
- Current member of NPAO/CNO with evidence of liability insurance.
- Recent clinical experience within a Primary Health Care setting.
- Exceptional understanding of current, evidence based methods and practices of primary health care delivery.
- Demonstrated knowledge of client self-management techniques regarding chronic diseases.
- Excellent knowledge of primary and secondary prevention strategies.
- Mental health and acute care experience is considered an asset.
- Proficiency with Electronic Medical Records (EMR's) and computer knowledge required.
- Superior interpersonal, time management and attention to detail skills.
- English proficiency is required and a proficiency in French is an asset.

Submit resume via e-mail to Penelope Smith, Executive Director at psmith@glengarryclinic.ca

Deadline Feb. 21,2025

The GNPLC is an equal opportunity employer and operates in compliance with the Accessibility for Ontarians with Disabilities Act (AODA). Applicants must make their needs known in advance.

We thank all applicants, however, only those selected for an interview will be contacted.
