

Job Opportunity: Maintenance Technician

Location: Cornwall, Ontario

Position Type: Full-Time

Starting Rate: \$20.00 per hour

About the Role

We are looking for a reliable and skilled **Maintenance Technician** to join our team in Cornwall. In this role, you will be responsible for ensuring that our farm equipment, facilities, and systems operate at peak efficiency. You will play a vital role in our daily operations by performing routine inspections, troubleshooting mechanical issues, and conducting preventative maintenance.

Key Responsibilities

- **Equipment Repair:** Maintain and repair farm logistics, irrigation systems, and facility infrastructure.
- **Preventative Maintenance:** Perform regularly scheduled checks to identify wear and tear before it leads to downtime.
- **Troubleshooting:** Diagnose mechanical, electrical, or plumbing issues and implement effective solutions.
- **Safety Compliance:** Ensure all maintenance activities are conducted in accordance with safety regulations and farm protocols.

Qualifications

- **Experience:** Previous experience in maintenance, mechanics, or a related trade (experience in an agricultural or industrial setting is an asset).
- **Technical Skills:** Proficiency with hand and power tools; basic knowledge hydraulic, or HVAC systems.
- **Problem-Solving:** Ability to think on your feet and handle unexpected equipment failures.
- **Physical Stamina:** Comfortable working in a farm environment, which may include lifting heavy equipment or standing for long periods of time
- **Reliability:** Strong work ethic and a commitment to maintaining a safe, high-functioning workspace.
