

Part-Time Experienced Building Maintenance & Pool Operator

POSITION SUMMARY:

We are hiring a part-time Building Maintenance Person / Certified Pool Operator to join our team at the Super 8 by Wyndham Cornwall Hotel. Schedule can be worked out, but hours would start early on a daily basis, including weekends and holidays.

DUTIES AND RESPONSIBILITIES:

- Building Maintenance – Daily & Preventative maintenance of all equipment in Hotel.
- Snow removal in winter months / Landscaping & weed removal in summer months
- Garbage collection, ensuring outside of building is clean
- Pool Chemical Management – regular monitoring and adjustment of pool chemicals.
- Pool Equipment Maintenance – conduct regular inspections and perform maintenance on systems.
- Pool Safety and Compliance: Ensuring that the pool meets all health and safety standards.
- Cleanliness of pool and surrounding deck area.

REQUIREMENTS:

- Proven maintenance experience, 5 years + (references required)
- Professional attitude, and ability to follow direction and work as a team member.
- Strong time management skills
- Pool Operator Certification or pool maintenance experience and willingness to complete the Pool Operator course.

Education: High school graduate or equivalent. Must speak, read, write, and understand the primary language (English) used in the workplace.

Experience: Previous hotel-related work and Pool Operator experience an asset
